Prayers of healing are requested for Jonah Thomas, whose injured shoulder is causing him great pain.

Joe & Dodie Miller ask continuing prayers for their niece's two daughters, who suffered terrible effects due to an e-coli infection. Their names are: Miah (4-years-old) and Naomi (3-years-old). Limited visits with residents are now allowed outside, at this Clapp's location. **Thelma's** new temporary address is 4558 Pleasant Garden Road, PG, NC 27313. She expects to return to her home on Brookhaven Mill Road in a few weeks, God willing.

Prayers are requested by Lee & Mary Ellen Shores. They trust that, since God knows why they want your prayers, you can respect their desire for privacy.

Salem Presbytery's physical office in Clemmons has closed. Pray for the staff, and pray for Salem Presbytery, that the changes to which they have been led will make them a more effective instrument for God's mission.

We only publish news about those who have given permission to share health information publicly. If we do not have permission to give details about a medical condition, **we will not print those details**. If we do not have permission to refer to someone by name, **we will not print that name**.

For the safety of all US military personnel, please do not use any form of electronic social media to post details of their service! This means that you should not refer to them by their "go by" name, or mention their military rank, or where they are serving; and that you should not post any photographs that might reveal where in the world they are, or what they are doing while they are there.
